SUBJECT:— Resumption of the village attached to the Sri Venkataramanaswami Temple at Ramer, Srinivasa LAST REFERENCE. - Ramanathapuram Taluk

Letter No. C 924 dated 30th November 1907 from the Deputy Commissioner Kolar District.

The village of Devarabanda in the Srinivasa - Ramanathapuram Taluk, is a Devadaya village, endowed to the Sri Venkataramanaswami Temple at Ramer in the same Taluk. At the time of the Inam settlement in 1880 the village was confirmed to Ramer

Amiah and others as noted in the margin, "for Life Service in the temple", as a Kayamgutta, subject to the annual payment of Rs 18. The Inam Title-Deed also lays down that "This Village is, moreover, subject to the payment of general, local, and municipal taxes, and a proportionate share of the cost of the repairs of Government works of irrigation, in common with ordinary Kandayam Ryots". The village was finally confirmed in 1893 on a Combined Quitrent of Rs 5-8, inclusive of the old Kayam Putta amount

2. Amiah mortgaged his $\frac{1}{2}$ share in October 1895 for a consideration of Rs 200 The fact was brought to the notice of the Dy Commr by

by the Sub-Registrar, to whose office the documents had been presented for Registration. The former (one Mudiah) thereupon directed the Amildar of the Srinivasapur Taluk to serve a notice on the alienee, under clause B, of the alienation Rules of the 17th November 1877, requiring her to restore the land within 6 months. But she having failed to comply with the requisition, one Puttanna Chetty, who had since succeeded one Mudiah, passed an order on the 14th June 1898 to the effect that the portion

of

4 of the land which had been alienated
~~Of the alienated land~~

should be resumed and
placed under Government
management, and that the
lands should not be given
back to the alienor, nor
should he be permitted to
render service in the Dustur,
other
and that competent persons
should be appointed to do
Dafe service in the temple.
Amirah, the alienor, since
redeemed the Inam lands
alienated by him, in 1898, and now claims restoration of
his portion of the
land.

3 In the meanwhile, the entire
by mistake,
Village had been brought
under Government management by the Amildar
in pursuance of the orders
of the Dy Commissioner.
Two of the share-holders,
Viz Ramachandra and Subbi
had

D & E

had alienated their respective shares to one Subbamma in 1897 and 1894 respectively; but the fact had not been brought to the notice of the local municipal Officers. But, when the whole village was brought under the Government-management, the aliance Subbamma, presented a petition to the Architect on the 3rd Sept 1898, praying for the recognition of his right to perform the Pooja-service in the temple, on the ground that he had acquired the interests of Ramasubba and Subbi who had, on account of old age &c, transferred

their interests to him by
sale. This case was also
similarly dealt with as
that of Amirah and the
parties called upon on
the 12th November 1898 to redeem
the lands within 6 months —
This they have failed to do.

3 The Amildar having
however assumed the manage-
ment of the entire village,
I sold the pasturage thereof
for Rs 74-6-0 and applied
to the Dy Commr for instructions
to credit the same to the
Surplus funds of the Taluk.
Mr Sparkes, who had since
succeeded Mr Suttanna
Chetty as Dy Commr, solicited
fresh orders on the subject
in December 1898. No orders

have been given on this point, because the Dy Comr was asked to report (i) why the amount realized from the entire Swan village should be credited to Govt, while the shares of the alienors alone were liable to resumption and (ii) on what grounds the whole village was resumed.

4. In reply, the Dy Comr has now reported that the Amildar, instead of resuming only Amirah's share in the village viz ½ resumed the entire village apparently on the ground that all the Hissedars were jointly enjoying the village

The other 3 Hissedars viz Lachi, Venkataramma and Venkataramanna have also petitioned the Amildar Head, for the misdeeds of their co-
-shares and for no fault of theirs, they have also been deprived of the enjoyment of their respective shares —

Deputy Secretary's remarks:-

As regards the ½ share mortgaged by Amiah in 1895, who since redeemed his share, and as regards the shares of Nos 3, 5, & 6 Viz, Seethi, Venkatramana and Venkatrama, I have already noted in page 10 of this note that their respective shares may be restored to them

Regarding the $\frac{2}{10}$ths share of nos 2 & 4 viz, Rama Subba and Subbi, the Deputy Collr is of opinion that, as the alienee Subbamma has been satisfactorily performing the "Jafe" services formerly done by the alienors for the past 10 years, and as he is willing to continue to perform the same, his right may be recognized and his name registered in the place of the alienors. The Inam Superintendent simply states that the sale by RamaSubba and Subbi in favor of Subbamma is opposed to the Rules of 1877. So far as the alienors

are concerned, as they have unauthorizedly alienated the Devadaya Service Inam land in their possession, their conduct has to be dealt with under the Rules of 1877 and accordingly it may be declared that neither they nor any of their descendants will have any right to claim the Inam land either now or in the future.

As regards the alienee Subbamma, it happens that he actually performs the service formerly done by the alienors He seems also to have paid money for the lands in question Under these circumstances

It is submitted that the Deputy Commissioners' recommendation to register the land in the name of the alinee may be approved Such a transfer is permitted by Govt. Pro: No. 3857-65 R 100 dated 24th August 1882, in which it is stated — "If the mortgagees are qualified to do the work, they may be appointed to the Offices in preference to strangers as some compensation for the loss of their money".

The alienee may be informed that he has no right to the land by right of his purchase which was an unauthorised transaction, but that it is granted to him

purely on account of the service to be performed and that it will be resumed if the service is not duly performed or if any unauthorised alienation is made by him. Mis Penal

NOTIFICATION.

The 17th November 1877.

No. 266.—Under the sanction of the Government of India, conveyed in their letters Nos. 89 R. and 105 R., dated 13th September and 29th October 1877, respectively, the following rules providing for the restoration of Inam lands unauthorizedly alienated from the religious or charitable institutions to which they were originally assigned, are published for general information :—

I. All Inam lands granted to religious and charitable institutions, and for the maintenance of persons rendering service therein, will be confirmed and continued to them, so long as the conditions of the grant are duly fulfilled.

II. Whenever it is found that such lands are diverted from the object for which they were granted, by means of sale, gift, mortgage or otherwise, the following rules shall be observed :—

A. Where such alienations were made prior to the 31st January 1853 but within 50 years computing the period of possession up to 14th December 1867, the lands or villages so alienated will, if not restored voluntarily by the holder, be confirmed and subjected to a jodi of one-half the assessment; the jodi or assessment so imposed being payable direct to the institution from which they were alienated.

B. In the case of alienations made subsequent to 31st January 1853, a notice will be issued to the alienee or alienees requiring him or them to restore the lands to the institution to which they belong, within 6 months from the date on which the notice is served on the alienee or alienees, or his or their agent or manager who may be in charge of the lands, and on default of compliance, the lands will be summarily resumed and restored to the institution by the Revenue authorities under instructions from the Inam Superintendent.

C. In the case of a simple mortgage or hypothecation of the Inam lands, without possession, the transaction will be declared null and void in so far as it is intended to create a lien on the lands or to treat them as security for the loan advanced.

III. Lands held for 50 years and upwards, with or without titles, computing the period of possession up to 14th December 1867, will be confirmed to the holders on the terms prescribed in the Land Inam Rules, and will not be included in the title-deed granted by the Inam Department to the religious institutions.

IV. The alienations, whether made in favor of disciples of the institutions or others unconnected with it, will be treated alike, and disposed of under these rules.

By Order,

Secretary.

Docket No. 717 of the——December 1881, from the Deputy Commissioner of Bangalore submitting for orders a memo from the Muzrayi Officer with Deputy Commissioner's remarks thereon in connection with the Inam lands attached to the Rasûlsha Darga in the Hoskote Taluk.

No. 7704-12—234, DATED 5TH JANUARY 1882.

ORDER THEREON.—The orders contained in the Notification of 1877 in regard to the treatment of alienated service inam lands cannot be indiscriminately given effect to for the benefit of the inamdars who are themselves the chief offenders in the matter. Whilst it is important to prevent the alienation of inams granted for public services of a religious or charitable nature, it is necessary that the families of the persons who are guilty of having made the alienation should be removed from their offices and connection with the institution for which the inams are granted. Where the purchasers or the mortgagees have obtained the inams through ignorance for a valuable consideration, it will be proper to compel the inamdars who alienated the inams, or the new nominees to the offices, or the communities interested in the institution, to make good to the alienees the consideration actually paid by them and any further compensation which may be considered proper, before the inam is restored to them. If they do not consent, or are not able to pay the compensation, and the institution is not of such a general public character as to require the intervention of Government for its protection as in the case under notice, the proper course to pursue would be to resume and bring under full assessment the lands alienated.

2. Before passing final orders on the case under notice, the Deputy Commissioner is requested to submit fuller information in regard to the nature of the Makan, the value of inam lands and other Government or other endowments enjoyed by it, the circumstances connected with the alienation and the inamdars who made it, the wishes of the persons or communities interested in the institution, and the arrangement proposed for giving effect to the above orders on the case.

Letters Nos 365 and 366 of the 10th August 1882, from the Deputy Commissioner of Bangalore forwarding the vernacular Proceedings in connection with the unauthorized alienation of inam lands attached to the Anjaneya temples at Madabalu in the Magadi Taluk and at Tyamagondal in the Nelamangala Taluk and requesting orders to adhere to the rules laid down in the Notification of 1877 on the subject.

No. 3857-65—100, DATED BANGALORE, 24TH AUGUST 1882.

ORDER THEREON.—The orders conveyed in Proceedings No. 7704-12—234 of the 5th January last were not intended to supersede the provision made in the Notification of the 17th November 1877, for the resumption and restoration to the institutions concerned of service inam lands alienated subsequent to 31st January 1853, but directed that indiscriminate effect should not be given to the above in cases in which the service inam-holders grossly abused their trust by alienating the inams and in which it may sometimes be desirable not to intercede on behalf of the inamdars but to bring the alienated inam lands under full assessment as a penalty on the alienor.

2. In the two cases referred to in the above, in which the inam lands of the Anjaneya temples in the villages of Tyamagondal in the Nelamangala Taluk and Madabalu in the Magadi Taluk have been alienated, it may not be desirable to deprive the temples of the inams on account of the fault of the temple servants who alienated them. But it is necessary that the families of the alienors should not get back the inams without some penalty. They should be called upon to pay to the mortgagees one-half of the mortgage money, failing which others should be appointed to the mirási offices in the temples and the inams resumed and restored to them If the mortgagees are qualified to do the work, they may be appointed to the offices in preference to strangers as some compensation for the loss of their money.

Sir,

With reference to your docket No 834 dated 29th January 1900 requesting to submit a detailed report of the circumstances under which the entire village of Inam Devasandra Gudi assigned for the "Jafa" Service of Sri Venkataramanaswami temple at Ronur in the Srinivasapur Taluk was resumed, I have the honor to state that on a report made by the Amildar of Srinivasapur to the effect that Anniah

one of the sharers in the village had mortgaged his share to one Chandra Appa and had failed to redeem the mortgage in spite of repeated notices and that the "Jafa" Service in the temple was not performed properly. The then Deputy Commissioner in his order No 295 dated 14th June 1898 directed the resumption of the alienated Inam. On this the Amildar instead of resuming only Annaji's share in the village resumed the entire village, whereupon they on the ground that all the sharers were jointly enjoying the village, dividing the produce among themselves in the proportion of their respective shares and that consequently each was entitled to a definite share of the produce in which he exercised a valuable ownership which could not be resumed without interfering with the shares of the other sharers.

2 Of the three hissedars Annaiah, Ramasubba and Subbi who had alienated their shares, Annaiah has redeemed his share from the mortgage to which he had subjected it. Rama-Subba and Subbi who had sold their Shares to one Subbamma, a kinsman of theirs, - have stated that they are unable to do the "Jafa" Service on account of old age and other causes, tha the sale made by them may be approved and Subbamma's right as purchaser of their shares recognized. Subbamma has consented to do the "Jafa" Service for $\frac{2}{10}^{ths}$ share purchased by him from Rama-subba and Subbi. Considering that Subbamma is related to Ramasubba and Subbi and that the latter are unable to do the "Jafa Service themselves, I think that the alienation in Subbamma's favour may be approved

3 I therefore beg to recommend that the village in question may be restored to the Inamdar — Subbamma's name being registered for a $\frac{2}{10}^{\text{ths}}$ share in the village in the place of Kamasubba and Subbi.

4. The entire vernacular correspondence on the subject is herewith submitted.

Sir,

With reference to your docket No 922 dated the 6th November 1902 enquiring whether the 'Jafa' services to Sri Venkatramana Swami Temple Konur, Srinivaspur Taluk, hitherto rendered by Ramasubba and Subbee cannot hereafter be satisfactorily done by Subbanna (not Shamanna as stated in the docket) the purchaser of their shares, I have the honor to submit herewith

herewith Srinivaspur Huildar's no 497 dated the 25th December 1902 submitting the Statement of Subbanna to the effect that he has been performing the 'Jafa' Services of the Shares of Ramasubba and Subbee for the last 10 years and that he will continue to do the — service. From the above Statement it is plain that Subbanna can satisfactorily perform the 'Jafa' service falling to the Shares purchased by him.

Correspondence ending with letter No. 3501/589 dated 20th February 1903, from the Dy Commr., Kolar District,— regarding the alienation of the inam granted for "Tapé Service" in the Sri Venkataramanaswami temple at Romur, Sreenivaspur Taluk.

And,

Docket no. 216 of 19th November 1902 from the Superintendent of Inam Settlements in Mysore.

No. 438-9 of Murzi 16-1902 12/8/03 Enfile

Order thereon:— The Kayamgutta

village of Devasandragadda
in the Srinivaspur Taluk
is a Devadaya" inam
granted for "Tape" service
in the Sri Venkataramana
Swami temple at Ronur.
During the Inam Settlement
in 1880, the village was
confirmed to Ronur Anniah
and five others noted in
the margin* for "Tape"
Service in the temple on
Kayamgatta tenure, subject
to the annual payment
of Rs 18. Subsequently
in 1893, the village was

* 1. Anniah 1/2
2. Rama Subba 1/10
3. Seethi 1/10
4. Subbi 1/10
5. Venkataramana 1/10
6. Venkataramana 1/10

finally confirmed on a combined Quit-Rent of Rs 58/- inclusive of the old Kayamegatta amount

2. It having been brought to the notice of the Dy Comm.r of the Kolar district that, Annah had mortgaged his half ~~share~~ share of the village in October 1895 for a consideration of Rs 200, a notice was served on the alienee (Chandravadana - alias Tapeswamy) under Clause B of the Rules published under the Notification No 266 of 17th November '97

requiring her to restore
the land within 6 months.
But, she having failed
to comply as above, the
Dt Commr ordered that
the portion of the land
alienated should be
resumed & placed under
Govt management, and
that the same should not
be given back to the alienor
Aumiah (the alienor) since
redeemed in 1898, the portion of
the inam land alienated
by him & claims restoration
of his portion of the land,
Was, meanwhile, in the
entire village had been
by

by mistake, brought under Govt management by the Amildar, ~~in pursuance of the orders of the Dy Comm.~~

Two of the Shareholders - Viz, Ramasubba & Subbu had also alienated their respective Shares to one Subbamma in 1897 and 1894 respectively, but this fact was not brought to the notice of the local authorities, until Subbamma petitioned the Amildar on the 3rd Sept 1898 praying for the recognition of his right to perform the "Tape Service in the temple Thereupon the

~~[illegible]~~ alienors were ~~[illegible]~~ also served with a notice to redeem their shares within 6 months which they have ~~[illegible]~~ failed to do

4. Upon a reference made from this Office in January 1900, the Dy Commr. reports that the Amildar, instead of resuming only Amiah's 1/2 share in the village, resumed the entire village, apparently on the ground that all the Hissedars were jointly enjoying the village, that Amiah since redeemed his share, that

that Ramasubba and Subbi being unable to do "Jafe" service on account of old ~~age~~ age & other causes, sold their Shares to Subbanna and recommends ~~that~~, therefore that the alienation in Subbanna's favour may be approved and his right recognized as he has consented to do "Jafe" service in the temple for his 2/10ths ~~1/10~~, Share.

5. The other 3 Kissedars Viz, Seetha, Venkataramma and Venkataramana have also petitioned the Amildar that they have been willing to

of their respective Shares
owing to the fault of
their Co-Sharers.

6. The Superintendent
of Inam Settlements who
was consulted in the matter,
states that the sale by
Kissedars Nos 2 and 4
Viz, Rama subba & Subbi,
of their Shares is opposed
to the Rules laid down in
the late Chief Commissioner's
Notn of the 17th Novr 1877
The D. Commr states
that Subbanna has been
performing the Tabe
Services of the Shares of
Rama Subba and Subbi
for

for the past 10 years and that he will continue to satisfactorily perform the same and recommends that his name be registered for the 2/10 his share in the village in the place of Rama Subba & Subbi.

7. With reference to the foregoing, the Govt. observe that as regards the 1/2 share mortgaged by Amiah in 1895, who since redeemed his share, and as regards the shares of Nos 3, 5 & 6 Viz, - Seetha Venkataramana & Venkatrama

there is no difficulty ~~whatever~~
Where lands which have
been wrongly taken under
Govt' management, should
be restored to them
Regarding the 2/10 ths share
of Nos: 2 & 4 Viz, Ramasubba
and Subbi, the D/ Comm^r
is of opinion that as the alienee
Subbamma has been satisfactorily
performing, for the past 10 years, the "Tafe Services
formerly done by the
alienors, ~~for the past 10 years~~
and as he is willing to
continue to perform the
same, his right may be
recognized and his name
registered in the place of
the

alienors. The Inam Superintendent simply states that the sale by Ramasubba & ~~Seetha~~ Subbi in favor of Subbamma is opposed to the Rules of 1877. With reference to this, the Govt. observe that so far as the alienors are concerned, as they have unauthorizedly alienated the "Devadaya Service Inam land" in their possession, their conduct has to be dealt with under the Rules of 1877 and accordingly it is hereby declared that neither they nor any of

their descendants will
have any right to claim
the said land either now
or in the future as
regards the alienee Subbamma,
it happens that he actually
performs the service formerly
and has also paid money for the lands in question.
done by the alienors;
Under these circumstances
the Govt are pleased to
approve of the Commr's
recommendation to register
the land in the name
of the alienee, as such
a transfer is in accordance with
Govt No: 20 3857—65/R 100

in which it is stated

that "if

No. 438-9—MUZ. F. 16-1902, DATED BANGALORE, 12TH AUGUST 1903.

ORDER THEREON.—The kayamgutta village of Devasandradagudda in the Srinivaspur Taluk, is a "Devadaya" Inam granted for "Tafe service" in the Sri Venkatramanaswami temple at Ronur. During the Inam Settlement in 1880, the village was confirmed to Ronur Annaiya and five others noted in the margin for "Tafe service" in the temple on kayamgutta tenure subject to the annual payment of Rs. 18. Subsequently in 1893, the village was finally confirmed on a combined quit-rent of Rs. 53 inclusive of the old kayamgutta amount.

Sithi	...	$\frac{1}{10}$
Subbi	...	$\frac{1}{10}$
Venkatramana	...	$\frac{1}{10}$
Venkatrama	...	$\frac{1}{10}$

2. It having been brought to the notice of the Deputy Commissioner of the Kolar District, that, Annaiya had mortgaged his half share of the village in October 1895, for a consideration of Rs. 200, a notice was served on the alienee (Chandravadana—also a Tafe woman), under Clause B of the Rules published under Notification No. 266, dated 17th November 1877, requiring her to restore the land within six months. But, she having failed to comply as above, the Deputy Commissioner ordered that the portion of the land alienated should be resumed and placed under Government management, and that the same should not be given back to the alienor. Annaiya (the alienor) since redeemed in 1898 the portion of the Inam land alienated by him and claims restoration of his portion of the land, as, in the meanwhile, the entire village had been, by mistake, brought under Government management by the Amildar. Two of the shareholders, *viz.*, Ramasubba and Subbi had also alienated their respective shares to one Subbanna in 1897 and 1894 respectively, but this fact was not brought to the notice of the local authorities, until Subbanna petitioned the Amildar on the 3rd September 1898, praying for the recognition of his right to perform the "Tafe service" in the temple. Thereupon the alienors were also served with a notice to redeem their shares within six months which they have failed to do.

3. Upon a reference made from this office in January 1900, the Deputy Commissioner reports that the Amildar, instead of resuming only Annaiya's half share in the village, resumed the entire village, apparently on the ground that all the hissedars were jointly enjoying the village, that Annaiya since redeemed his share, that Ramasubba and Subbi being unable to do "Tafe service" on account of old age and other causes, sold their shares to Subbanna and recommends therefore that the alienation in Subbanna's favor may be approved and his right recognised as he has consented to do "Tafe service" in the temple for his two-tenths share.

4. The other three hissedars, *viz.*, Sithi, Venkatrama and Venkatramana have also petitioned the Amildar that they have been deprived of their respective shares owing to the fault of their co-sharers.

Muzrai, dated 12th August 1903.

5. The Superintendent of Inam Settlements, who was consulted in the matter, states that the sale by hissedars Nos. 2 and 4, *viz.*, Ramasubba and Subbi, of their shares is opposed to the rules laid down in the Chief Commissioner's Notification of the 17th November 1877. The Deputy Commissioner states that Subbanna has been performing the "Tafe services" of the shares of Ramasubba and Subbi for the past ten years, and that he will continue to satisfactorily perform the same and recommends that his name be registered for the two-tenths share in the village in the place of Ramasubba and Subbi.

6. With reference to the foregoing, the Government observe that as regards the half-share mortgaged by Annaiya in 1895, who since redeemed his share, and as regards the shares of Nos. 3, 5 and 6, *viz.*, Sithi, Venkatramana and Venkatrama there is no difficulty. Their lands which have been wrongly taken under Government management, should be restored to them. Regarding the two-tenths share of Nos. 2 and 4, *viz.*, Ramasubba and Subbi, the Deputy Commissioner is of opinion that as the alienee Subbanna has been satisfactorily performing for the past ten years, the "Tafe services" formerly done by the alienors, and as he is willing to continue to perform the same, his right may be recognised and his name registered in the place of the alienors. The Inam Superintendent simply states that the sale by Ramasubba and Subbi in favor of Subbanna is opposed to the Rules of 1877. As regards the alienee Subbanna it happens that he actually performs the service formerly done by the alienors and has also paid money for the lands in question. Under these circumstances, the Government are pleased to approve of the Deputy Commissioner's recommendation to register the land in the name of the alienee, as such a transfer is in accordance with Government Proceedings No. 3857-65—R. 100, dated 24th August 1882, in which it is stated that "if the mortgagees are qualified to do the "work they may be appointed to the offices in preference to strangers as some com-"pensation for the loss of their money." The alienee should be informed that he has no right to the land by right of his purchase, which was an unauthorized transaction but that it is granted to him purely on account of the service to be performed and that it will be resumed if the service is not duly performed, or if any unauthorized alienation is made by him.
